Why Learn Plus Us?

- ◇ Our tutors are experts in their field and have many years of experience supporting ESOL students to succeed!
- ◇ The ESOL course is designed to develop English language skills to help you in your job and can be tailored to meet your individual and employer needs.
- ◇ Our focus is teaching English to ensure you fully understand your job, know how to keep safe and can communicate effectively in the workplace.
- ◇ The ESOL course will cover speaking, listening, reading, and writing, to help you gain confidence where needed.
- ◇ Classes are held online and will be carefully planned with your employer, meaning they won't get in the way of your work.
- ◇ Once you have finished, you will receive an attendance certificate.

What happens when you enrol?

- ◇ You will have a initial assessment in a group to help us determine your English level.
- ◇ You will be in a class with people at a similar level of English, so that the group progresses together.
- ◇ The first session with your dedicated Tutor will be an induction into the programme and the start of your learning journey.
- ◇ Learning through Zoom is fun & exciting and you will be with the same group of 8 – 10 people throughout the course.

Other important information:

- ◇ Generally, ESOL courses run for 3-5 weeks and each class is 2-3 hours long.
- ◇ Please bring your electronic device to the initial session, so we can help you to set up an email account if required and show you how to log into a Zoom meeting.
